Dear Parents,

We are all very proud of how well the pupils are working, this is hard work is reflected in the confidence they are showing and the quality of work in their books. This term after Christmas is a very important one, as it is now that they make the jump from being new in a class to being confident that they can do what is expected of them.

Our Topic webs and letters from Teachers have already gone out, but are also repeated on the class pages on the school website. If you want to support your child more at home try looking at the ideas and advice that the teachers have given in the start of term letter or the web page.

Many thanks,

Mr Smith

Road Closure

Dear Parent,

We are proposing to close The Street for two weeks in February to carry out essential sewer rehabilitation works. The road closure has been timed with your half term to minimise the impact however you will be affected in the second week of the closure. We intend to complete the first half of our works within the first week and therefore reduce the size of the closure on the second week, which will ensure access is provided to your school.

Week 1: 13/02/2017 – 17/02/2017

Week 2: 20/02/2017 – 24/02/2017

Access to properties will be maintained as far as possible during the closure, and a letter will be sent to the local residents two weeks before the works commence.

Please contact me with any queries regarding the works or the closure.

Kind regards

Helen

Snow

We do not expect to close the school if it snows, but would like to remind all parents that if we do close the school will post this on the website and ask Spire FM to broadcast the news as well.

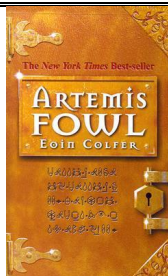

If parents are unable to safely travel to school please do not attempt the journey, or if needed please arrive later than usual. If you need to collect pupils early for any reason please let us know, the office is not manned after lunch but we will cover the phones when the weather is bad.

But even Artemis doesn't know what he's taken on when he kidnaps a fairy, Captain Holly Short of the LEPrecon Unit. These aren't the fairies of bedtime stories—they're dangerous! Full of unexpected twists and turns, *Artemis Fowl* is a riveting, magical adventure. 4.5 out of 5!!
