

# CHILMARK AND FONTHILL BISHOP

## CHURCH OF ENGLAND PRIMARY SCHOOL

Headteacher: Mr Adam Smith

7 April 2017

Dear Parents,

I would like to end the term by celebrating all of the things that have been achieved, by all of the community that make Chilmark and Fonthill Bishop Primary School.

Our children have worked tremendously hard this year; recent visits by the local Authority have made it clear that the school has improved significantly. This has been due to great teaching but is absolutely due to the pupil's self-belief. This is an aspect of the school that is so special; the children have faith in themselves and believe that they can achieve great things. These qualities are shared by the staff, the governing body, the friends and by all of the parents who volunteer to help at the school.

We are pleased to announce that Mrs Pilbrow will be the new TA in Sycamore class. She is an experienced TA who comes to us from Whitesheet Primary School; she will work mornings (Monday to Friday) and will also help with lunchtimes.

So what can we look forward to next term? In the summer program of sport at Nadder we have plans to use the pool. We will take the SATs tests that pupils have been working hard to prepare for. We are planning to perform our own Pantomime; we also have the Sports Day, the Inter-school Olympics and a residential trip for Elm class. It will be a busy term.

Please can you help, we currently need to find a temporary cleaner as one of our cleaners is recovering from an operation and can only do limited hours. If you know of anyone we would love to hear from you, we are looking for 5 hours a week but will accept less if this is a problem. The rate of pay is £7.83 per hour.

**Please note that clubs will not run in the first week back after Easter.**

Many thanks and have a great Easter,

Adam Smith  
Headteacher
