

English: In English this term we will be exploring our water topic by looking at water based myths and legends. We are going to be looking at the Scottish/Icelandic legend of the Selkie. To help us we will be watching Song of the Sea which is a beautiful animated story of a young Selkie child. We will also be reading 'Can you Catch a Mermaid?' By Jane Ray to explore the legend that is the mermaid. These will then help us to write our very own version of a water myth/legend.

Spanish

The children will continue to learn how to say different colours, numbers and simple Spanish greetings through songs and games.

Science: In Science we will be carrying on nurturing our very own bean/pea plants in our outside area and we will be continuing to spend lots of time planting various flowers and vegetables ready to sell at our Summer Fayre. We will also be looking at different types of trees (deciduous and evergreen) and going on our very own plant walk.

Mathematics: In Mathematics this term we will be focussing on number and place value (hundreds/tens and units). We will be also be practicing our addition and subtraction skills up to 100 and extending this to multiplication ($\times 2/\times 5/\times 10$ tables) and division.

Art/D&T: In Art we will be using the famous artist, Monet as a stimulus to create our own 3D water lily scene using marble paints and tissue paper.

In DT we will be planning/making and evaluating our own Boats to test.

Oak Class Summer Term

ICT: During ICT this term we will be using iMovie on the iPads to sequence the growth of our beans/peas. We will also be drawing weather icons using the Paint program on the laptops as well as searching/printing images to back up our coast based geographical language.

PSHE: This term, every Tuesday afternoon, Mrs Chapman will be continuing to take PSHE focusing on the topic of Relationships.

P.E: with Tom the coach every Thursday and he will be continuing to work on multi-skills with the children.

Geography: In geography we are going to be looking at the world's oceans/what lives within them and starting a class project where we look at the differences and similarities (land/weather/culture etc) between the UK and Iceland.

Music: Singing Practise in school every Tuesday morning. Year 1's will continue to have music lessons with Mr Walker on Wednesdays.
