

CHILMARK AND FONTHILL BISHOP

CHURCH OF ENGLAND PRIMARY SCHOOL

Headteacher: Mr Adam Smith

18 May 2017

Dear Parents,

As you will know, our School was inspected by OFSTED last week. It will be some weeks before the formal results are published but we can assume that this marks the end of the first stage of the School's recovery. Comments in the inspection report will focus our efforts and inform our future progress

It is therefore appropriate that David Ullyott and Bev Small have decided to stand down as Chair and Vice Chair of Governors. They have borne the heat of the day, and expended huge amounts of their own precious time; they deserve a break! We are enormously grateful to them both for all they have done, and are delighted that they have elected to remain as Foundation Governors.

Their places will be taken by myself as Chair and by Chris Farrand as Vice. They will be leading the Governing Body through to our renewed assault on attaining all-round excellence, where we hope that we may be further assisted by partnerships with County and other local schools. It goes without saying that there will be no question of losing the very special and prized character and ethos of our School.

Yours sincerely,

Patrick Middleton
Chair of Governors
